About Get in the Act! Programs:

Get in the Act programs and camps provide young people ages 3 to 17 with innovative and enriching performing arts training. Through their work, students can explore and express their individuality, build self-confidence, and gain new knowledge and understanding of acting techniques.

Please discuss with your child that Camp Broadway's goal is to create a group of performers working together as a team, not individual recognition. It is the same concept as one would find in an organized team sport.

Auditioning on the first day of camp:

On the first day of camp, students will audition for parts in our play. After the auditions we ask each student performer what two parts they would like to play in our production. **Please discuss with your child(ren) that they may not get the parts they requested.**

One student performer may have two or three small roles differing from the actor who plays the main character. In the process the students work together to mount a theatrical performance that is fun, exciting and full of self-discovery.

What to expect from the audition:

Remember that the director is on your side. We will be looking for the student's best qualities. The director has gone through the audition process as an actor and understands how nerve wracking the process can be. So relax, have fun and do your best.

In the audition, students will:

- Participate in an improvisational exercise.
- Present of a short scene from the stories that we will be adapting.
- Present line readings from various characters of the play.

Students will be evaluated individually. Areas of assessment will include:

- Physical and Vocal Expression
- Text/Sub Text (what the character is thinking internally)
- Overall Impact
- Improvisation (ability to think and respond quickly to the situation)
- Ability to receive feedback/constructive criticism
- Ability to take direction and apply it to a scene.

What to Wear to and Bring to Camp:

Please be prepared to wear comfortable clothing and shoes suitable for movement/dance, i.e. sweats or dancewear; no skirts/dresses. Shoes should be tennis or dance shoes (ballet or jazz). **No flip flops or shoes that can easily fall off.**

Costumes

Costumes will be provided and will be minimal, i.e. character hat, tail, etc... Students should be prepared to wear their own clothes to create a character.

Water Bottle/Snack

Students are encouraged to bring water in a water bottle with a pop up top and a healthy snack. Due to student allergies, please no food with peanuts.

Drop Off and Pick Up

Students should arrive on time. Parents must walk their children to and from program. Programs start immediately at the scheduled times. Drop off students no earlier than 5 minutes prior to start of program; parents should wait with their children. Please enter the room at your scheduled program time.
